Dr. Walter R. G. Baker
 Vice President and General Manager
 Electronics Division
 General Electric Company
 Syracuse, New York

Dear Dr. Baker:

After conferring with Dr. Cairns, Chairman of the National Security Agency Scientific Advisory Board (NSASAB), Dr. Robertson, and Dr. Wilks, it would appear that the most suitable dates for the next Board meeting would be Tuesday and Wednesday, 20-21 April 1954.

The agenda for the meeting will probably be sent to you later. At this time, however, I would appreciate your advising me of any items you would like placed on the agenda.

I hope you will find yourself in position to attend the Board meeting and promptly upon receipt of affirmative information, I will be glad to send you travel orders, if required.

Sincerely,

WILLIAM F. FRIEDMAN
 Executive Secretary
 NSA Scientific Advisory Board
