UNSCANNABLE RECORD

This record, or portion of a record, is being processed through the NSA Automated Declassification System (ADS) for record keeping purposes. The record/portion is not releasable in electronic form because it cannot be scanned into the ADS.

Should the material be requested under a public release program (e.g., FOIA), the information below will allow easy retrieval of the record/portion. If it is releasable, at least in part, NSA will take the steps necessary to reproduce the material, excise the protected portions, if appropriate, and release the record/portion.

The material can be found in the follow	ving location:			
✓ NSA Archives	Archives box#/location: H20 -0607-			
NSA Records Center	Records Center location:			
Files of Organization				
ADS Box #: 15353
