Reference to Dr. Wilks in August 1954 Monthly
Operational Summary
DC/S 21 Oct 1954

PROD

1. In the August 1954 Monthly Operational Summary, at the bottom of page 32 of the PROD Section, and in reference to the normalizing of measures of activity, quantification of indicators and development of indices, it is stated that it would be useful to discuss this further with Prof. Wilks before going into an intensive study. The NSA Registry of Consultants reveals no request for Dr. Wilks' service in regard to this matter.

2. If further discussion with Dr. Wilks pertaining to this problem would be useful, it is recommended that appropriate action be taken immediately in accordance with NSA Regulation 10-30, dated 12 July 1954.
