Utilization of War Department Cryptosystems by State Department Agencies

To: ASA Europe

From: ASA Hdqs.

Date of Communication: 25 Oct 46

Date of Basic Document: 7 Oct 46

BRIEF SUMMARY:

Inquiry at the State Department, Washington indicates that State Department cryptographic systems are commonly held with the American Lagation, Dublin, Ireland, by the American Embassy, Paris, and the Office of the Political Advisor at B erlin and Frankfurt.

It is requested that your office contact the Office of the Foreign Liquidation Commissioner, Faris and the Office of Military Government for Germany, Berlin, with the suggestion that messages from State Department Agencies for other State Department Offices be cryptographed in State Department systems when such systems are available.
