Dear Colonel King:

A Japanese translation of Admiral Theobald's book "The final secret of Pearl Harbor" has recently been published\* and I would be most appreciative if you would purchase a copy for me. (50Y I believe is the cost per copy and I shall remit \$1.00 or otherwise repay you, just as you say.)

Any other recent Japanese books that might have a bearing on the Pearl Harbor Attack would be of interest to me and I'd like to know their titles and cost. These are for my personal collection.

Thanks very much for your cooperation, and with cordial greetings, I am,

Sincerely,

WILLIAM F. FRIEDMAN
