20

24 August 1950

MEMORANDUM FOR THE MEMBERS OF AFSAC:

Subject: U.S.-British Conference on the Exchange of Cryptographic Principles on a Reciprocal Basis.

Reference: AFSAC: 63/1.

Enclosure: C.O. USAF Security Service ltr. dated 14 August 1950.

1. At its Eighteenth Meeting held on 2 August 1950, AFSAC approved the proposed agenda contained in the reference.

2. The Enclosure has been received from the Commanding Officer, USAF Security Service recommending that certain additions be made to the Schedule of Specific Items listed in Enclosure "B" to the reference.

3. AFSAC is requested to approve the addition of the items listed in the Enclosure, and is further requested to authorize the U.S. delegation to discuss such additional items as may be proposed by either the British or U.S. delegation which the Director, AFSA, deems appropriate, and within the scope of JCS 2074/2.

4. In connection with the forthcoming Conference, Brigadier Tiltman has recently received word that the composition of the U.K. delegation would be as follows:

14 August 1950

SUBJECT: U. S. - British Conference on the Exchange of
Cryptographic Principles on a Reciprocal Basis.

TO: Director, AFSA
Washington 25, D.C.

1. AFSAC: 63/1 dated 19 July 1950, same subject as above, has been reviewed as to its applicability to air operations. It is recommended that the following additions be made:

a. Enclosure B, add:-

- (1) Under l.e., "Y-8".
- (2) "f. Air-ground request weather."
ASAD 1
- (3) "g. Aircraft movements."
ASAM 2-1
AFSAM 7
- (4) "h. Air-air, air-ground communications."
AFSAL 5104
Y-8

b. Appendix to Enclosure B, add:-

Y-8 - Ciphony equipment for VHF or UHF range
(suitable for aircraft installation).

AFSAL 5104 - Code for air-ground, air-air
communication.

ASAD-1- Manually operated device for meteor-
ological terminal forecasts.

2. The above stated additions are considered essential to the efficient operation of the U.S.A.F. in conjunction with British services.

/s/ Travis M. Hetherington
TRAVIS M. HETHERINGTON
Colonel, USAF
Commanding.
