1. Here is list of missing numbers of SSA Bulletin on file in Col. Clarke's office. I find that most of these are messages of little consequence & they may have been omitted from or destroyed as useless in G-2 file.

2. It would be quite a job to provide the missing numbers and therefore suggest you ask Col. Clarke if he deems it necessary to complete their file. If the answer is in affirmative I can have Mrs. Thompson do the copying in her spare time.
