SUBJECT

Fosition Classification Surveys - Civilian Paployees

τα Offices and Staff Divisions FROM Chief, Civilian Personnel Branch

DATE 12 September 1952 COMMENT NO. 1 John L. Sullivan/147-222

- 1. An Agency-wide position classification survey of all civilian positions in the Armed Forces Security Agency and SIG-PO will be accomplished during such fiscal year by the Civilian Personnel Branch. The survey for the Fiscal Year 1953 was started 1 July 1952.
- 2. To accomplish the complete survey within 12 months, the Civilian Personnel Branch will require organization charts approved by the Director. AFSA. The charts will indicate organizational positions; i.e., Chief, Assistant Chief, et cetera; a statement of functions down to Section level; and a certification by the Staff Division or Office Chief that the organization is firm and that no organizational changes are anticipated for at least 120 days. This information will be forwarded to the Civilian Personnel Branch at least two weeks prior to the date of a scheduled survey.
- 3. If the information is not available in time to conduct the scheduled survey, the survey will not be made in the unit concerned and an appropriate report will be prepared by the position classifier. The time interval between surveys in a unit may be extended for an organizational unit only upon specific authorization of the Chief. Civilian Personnel Branch.
- 4. Fositions which have been reviewed and accepted in a survey in one quarter will not be reaudited in a subsequent quarter without justification. If the request is due to other duties being added to the position, such duties will be included under "Remarks" on the SF 52, "Request for Personnel Action," in sufficient detail to permit the position classifier to determine if they are major duties and if a change in grade or series is justified. Request for audit of a position should not be forwarded to the Civilian Personnel Branch for the purpose of promoting incumbents on the basis of time in grade only as this is not a justifiable factor for grade increase. Requests for "priority" audits of positions will be approved by AFSA Staff Division and Office Chiefs or their duly designated executives prior to forwarding to the Civilian Personnel Branch.
- 5. The survey schedule for the quarter ending 30 December 1952 is as follows:

9 September

ASA 21.

15 September
