Dear Bill:

Just a few lines, with two letters to you enclosed, and also the receipted pharmacy bill. They could not locate the prescription.

I havent been able to talk to Dr. Fandis yet, with regard to your laboratory figures, but will do this as soon as possible.

We do hope that you have not been disappointed with the apartment, and also that the weather will be fine.

With affectionate regards to you both from Annie and myself,

Sincerely
