From London, 16th October 1943

~~ULTRA~~

My telegram of 29th August 1943

A. German Army "Y" service reported at 1630/3rd October as follows: -

"According to decyphered signals in a network in the area of 45th Infantry Division of 1422 and 1526 hours, a battle HQ of the division is 2 kms. NE of Mirabella and an assembly point of the division is 1.6 kms. W of Fregento.

Comment: The known Ops area of 45th division thereby again confirmed."

B. This information has also been passed to Nichols for Hayes.
