Memorandum for the Record

Subject: Reemployment of a Retired Annuitant - Mr. William F. Friedman

Two questions were raised with regard to the reemployment of Mr. Friedman. These are as follows:

QUESTION: Can Mr. Friedman's retirement be waived by the Civil Service Commission for the days he is employed as a Consultant (WAE) by NSA?

ANSWER: No. With regard to this question, Mr. Goldberg of the Civil Service Retirement Division advised that while an annuitant could waive any or all of his retirement annuity, it was not possible to waive it on any given dates (i.e., days on which he is employed by NSA). Where an annuitant, 60 years of age or older, is reemployed in the Federal service, the hiring Agency shall deduct from the employee's salary a sum equal to the retirement.

QUESTION: Could Mr. Friedman reimburse the Treasury on a day to day basis for his retirement and accept full compensation for his consultant services?

ANSWER: No. Discussed with Miss DiBetta, CSC, Retirement Division, who referred to the following statement in Public Law 854, 84th Congress; (70 Stat743):

"If an annuitant under this Act hereafter becomes employed, or on the date of enactment of the Civil Service Retirement Act Amendments of 1956 is serving, in an appointive or elective position, his service on and after the date he was employed shall be covered by this Act. No deductions for the fund shall be withheld from his salary, but there shall be deducted from his salary a sum equal to the annuity allocable to the period of actual employment."
