Professor J. Forrester
 Director, Digital Computer Laboratory
 Massachusetts Institute of Technology
 311 Massachusetts Avenue
 Cambridge 39, Massachusetts

Dear Professor Forrester:

This is to acknowledge receipt of your acceptance of the invitation to spend the week of May third at the National Security Agency.

If you will plan to arrive at 3801 Nebraska Avenue, Washington, at 9:00 a.m. on 3 May, we will have someone at the gate to meet you.

I am inclosing copies of your travel orders and a transportation request for this trip. Also inclosed for your convenience is an instruction sheet with the required forms so that you may receive compensation for your services as promptly as possible upon their completion.

A reservation has been made for you at the Alban Towers Hotel, 3700 Massachusetts Avenue, N.W. for the third through the seventh of May.

In addition to the activity of the Subcommittee on General Purpose Flexible Analytic Equipment, we are now planning a joint meeting of all three Panels of the NSA Scientific Advisory Board on 21 May. It is intended to devote that day to a detailed presentation and discussion of some of our technical problems and to plans for subsequent panel activities.

It is sincerely hoped that you will also be able to attend this 21 May meeting. If you will let me know that you plan to attend, I will have the necessary orders sent to you.

Sincerely,

WILLIAM F. FRIEDMAN
 Executive Secretary
 NSA Scientific Advisory Board
